The Downtown Eastside (DTES) of Vancouver is home to one of Canada's most marginalized populations. This community faces high rates of poverty, homelessness, mental health challenges, and substance use disorders.

Over 20% of the population in the DTES experiences homelessness, and many rely on community resources for basic necessities, including meals.

Your \$1000 donation provides essential support by offering nutritious meals to individuals experiencing food insecurity.

OUR COMMITMENT

- **100 Warm & Nutritious Meals handed out to the DTES Community on a day of your choosing**
- **A Donation Receipt**
